

## But If You Really Can't Deal...

• ...go to **Nizuc**, in Cancún—but not the Cancún you're thinking. Nizuc is a 29-acre utopia across the water from all the Señor-Frogging, mandal-wearing Cancún tourists you know and loathe. It has 109 pools (seriously), six restaurants, and soft sand sloping into the Caribbean. And it's *maybe* four hours away from you. —JON WILDE
