From the Asian-influenced, open-air reception onwards, Nizuc is a place where it's easy to take it easy, whether that's in modern, light-filled suites looking out onto the Caribbean or relaxing with a eucalyptus-infused steam or cacao treatment in the spa.

Located in the secluded enclave of Punta NIZUC, less than a 15 minute drive from Cancun International Airport, NIZUC Resort & Spa redefines the standard of luxury in Mexico and around the world. Each day starts with an overwhelming breakfast buffet and regularly refilled mimosas. Breakfast is served daily at Café de la Playa with an extensive and fresh breakfast buffet with eggs & omelette station, bloody mary & mimosa bar, Mexican "antojitos" and fine pastries. The "healthy corner" offers delicious and balanced options. Guests can enjoy breakfast inside or in the outdoor patios amongst the lush vertical gardens. A full a la carte menu is also offered.

Sunday Brunch is also available from 9:00 am to 2:00 pm at Café de la Playa including made-to-order Mexican dishes, custom omelettes and delicious eggs any style, to exquisite fresh seafood bar, charcuterie and carving station. For the sweet tooth you can indulge in delicious treats ranging from sweet and fruity tarts to a fabulous array of desserts and freshly baked bakery.
